Welcome to 68 Humber Trail

Wonderful, meticulously cared for 3 +1 bedroom Old Mill home with private driveway, well situated on a quiet, family-friendly street. Beautiful main floor design includes an elegant living room with wood-burning fireplace; formal dining room with plate rail; contemporary kitchen with gorgeous marble counters, custom wood cabinets, glass backsplash, stainless steel appliances; adjoining breakfast room with walk-out to exquisitely landscaped private backyard oasis; convenient main floor powder room. Second floor features a generous bedroom with custom solid bird's-eye maple built-ins and large closet; second bedroom with gas fireplace, walk-in closet and lofty 10' 8" ceiling height; third bedroom with walk-in closet and 10' 8" ceiling height; separate office area with custom solid bird's-eye maple built-in desk and skylight; sizeable 4-piece bathroom with vaulted ceiling, heated floor, jacuzzi soaker tub and shower that converts to steam room. Lower level includes a separate self-contained in-law suite with full updated kitchen open to living room, separate bedroom, 3-piece bathroom and 7' ceiling height. An incredible backyard studio (floor space of approx. 425 sq ft) with skylights, heating, air conditioning and roughed-in plumbing puts this property over the top and provides for a combined above grade useable space (heated and air conditioned) of over 2,000 square feet (house + studio). Let your imagination flow as you decide how to use this additional space! Updated mechanicals including wiring and plumbing. Most radiators upgraded to sleek Runtal units. Owned hot water tanks. Too many upgrades to list! Steps to Bloor West Village shops, subway, parks and the Baby Point Gates. Highly rated area schools including Humbercrest P.S. (with French Immersion) and St. Pius X. Recreational opportunities abound through the beautiful Humber River parklands and trails. Move in and enjoy!

MAIN LEVEL

- Foyer with original gum wood wainscoting, marble floor and leaded glass window
- Living room with hardwood floor, updated wood-burning fireplace and fire box with marble surround and wood mantel, original gum wood trim, speaker hookup and volume control, and updated double pane bow window with Nanik wood blinds
